

WELCOME TO THE NEW HAMPSHIRE TAX COLLECTORS' ASSOCIATION

Dear Association Members,

It is an honor to welcome you to the New Hampshire Tax Collectors' Association website. I am grateful for the opportunity to serve as President of an association that has supported me throughout my career. I look forward to working alongside so many dedicated professionals committed to learning, collaboration, and service.

My goal this year is to encourage us to **step outside our comfort zones and continue to grow**. Getting involved, pursuing learning opportunities, and connecting with colleagues strengthens both our individual skills and our association as a whole. Serving as President is a step outside my own comfort zone, and I hope we can all continue to challenge ourselves, support one another, and grow together.

Our association has a long and meaningful history, built by the dedication of current and former members. Because of their efforts, we have valuable resources, education, and support that help us become confident and knowledgeable tax collectors.

Our success also depends on you, our members, volunteers, board members, and committee participants. Your time and dedication, often given on top of your daily responsibilities, are what keep our association strong and moving forward.

I encourage you to explore our website, which is one of our most valuable tools, maintained through the hard work of past and present members. The **Technical Resources** section includes the NHTCA Policy and Procedure Manual, a key guide for tax collectors at every level. Our **General Counsel** section provides important documents and presentations from our Association's Legal Counsel, Attorney Bernie Campbell. And our **Annual Conference** and **Workshop** sections share details about upcoming educational opportunities along with materials from those events.

As we look ahead, I hope each of us finds meaningful ways to stay engaged, learn, contribute, and step outside our comfort zones.

We are stronger together, and together we can continue to make a lasting difference.

Thank you for all that you do and for being a valued part of the New Hampshire Tax Collectors' Association.

In the spirit of growth and a dash of courage,

Stephanie Beaudoin, CTC
