

New Hampshire Tax Collector's Association

Finance Committee Report

September 12, 2026

To the Executive Board:

Katie A. Gargano, President

New Hampshire Tax Collector's Association

45 Beacon Street East

Laconia, NH 03246

RE: 2026 NHTCA Annual Audit

Dear Katie,

The members of the New Hampshire Tax Collector's Association (NHTCA) Finance Committee met on August 28th, 2026, to examine the Association's financial records for fiscal year ending June 30, 2026.

Our review included an examination of NHTCA's bank statements and account balances. Specifically, we examined all monthly bank statements, deposit slips, supporting documentation for receipts and deposits, all disbursements and end of the year balances. We also verified that all deposits and reimbursements were accurately reflected in the Treasurer's Report.

During our review, based on the information provided and the documentation reviewed, all financial activity appears to be fairly stated. There was back up provided for every disbursement and deposit slips for all deposits and back up for online transactions. Voided checks were attached.

The previous recommendations have been adequately addressed by Ms. Anthony and there are no new findings.

The committee finds that Ms. Anthony is maintaining accurate records and performing her duties as treasurer with diligence and excellence.

The Finance Committee commends the Executive Board for its continued dedication to the mission of the NHTCA and for promoting sound financial practices. Your leadership and commitment to transparency and accountability are greatly appreciated.

Respectfully Submitted,

Brenda Masewic Adams
