RSA 80:76 Tax Deed

- The collector, **after 2 years** from the execution of the real estate tax lien, **shall execute** to the lienholder (municipality) a **deed** of the land subject to the real estate tax lien and not redeemed. With the following exceptions:

RSA 80:76 Tax Deed

ENVIRONMENTAL ISSUES

- Notwithstanding the provisions of paragraph I, the collector shall not execute a deed of the real estate to a municipality when **the governing body** of the municipality has **notified the collector by deed waiver that it shall not** accept the deed because acceptance would subject the municipality to **potential liability** as

an owner of property under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. section 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. section 6901 et seq.; RSA 147-A and 147-B, and any other **federal or state environmental** statute which imposes strict liability on owners for environmental impairment of the real estate involved.

RSA 80:76 Tax Deed (Cont.)

- In addition to the circumstances described in paragraph II, the **governing body** of the municipality may refuse to accept a tax deed on behalf of the municipality, and may so notify the collector by issuing a deed waiver, whenever **in its judgment acceptance and ownership of the real estate would subject the municipality to undesirable obligations or liability risks**, including obligations under real estate covenants or obligations to tenants, or for any other reason would be contrary to the public interest. Such a decision **shall not be made solely for the benefit of a taxpayer.**

RSA 80:76 Tax Deed (Cont.)

- When a governing body has, under paragraph II or II-a, served notice upon the collector it shall not accept the deed, the **tax lien shall remain in effect indefinitely**, retaining its priority over other liens. The taxpayer's **right of redemption** as provided by RSA 80:69 shall likewise be **extended indefinitely**, with interest continuing to accrue as provided in that section.

- The **tax lien may be enforced by the municipality by suit** as provided under RSA 80:50, and through any remedy provided by law for the enforcement of other types of liens and attachments.

RSA 80:76. Tax Deed (Cont.)

- If, at any time, in the judgment of the municipal governing body, the **reasons** for refusing the tax deed **no longer apply**, and the tax lien has not been satisfied, the **governing body may instruct the collector** to issue the **tax deed**, and the collector shall do so after giving the notices required by RSA 80:77 and 80:77-a.

RSA 80:71 Partial Payments in Redemption

- If complete redemption is not made before a deed of the real estate is given to the lienholder, the collector of taxes **shall within 10 days** direct the selectmen to issue an order upon the town treasurer to **refund** to the person making such partial payments or his heirs or assigns the **sum so paid**.

80:71 Partial Payments in Redemption (Cont.)

- If the order is **not issued within 30 days** of the time the collector directs that the order be issued, the sum to be refunded shall draw interest at the rate of **6 percent** per annum from the date the sum was directed to be paid to the date of actual payment.
