

New Hampshire Tax Collector's Association

Welcome to the 2026 Annual Education Conference! This year marks the 87th Annual Education Conference of the New Hampshire Tax Collectors' Association, being held Wednesday, September 16 through Friday, September 18, 2026.

On behalf of the Association, it is my pleasure to welcome both our new collectors and our seasoned collectors to this year's conference. Whether this is your first time joining us or one of many conferences you have attended, we are grateful to have you here and hope you find the next few days informative, encouraging, and worthwhile.

One of the greatest strengths of this annual gathering is the opportunity it provides for tax collectors from across New Hampshire to come together, share ideas, ask questions, and learn from one another. The work we do in our communities is important, detailed, and often challenging, and the connections made through this Association help support us long after the conference has ended.

I also encourage each of you to take time to visit with our vendors. Their participation is an important part of our conference, and the products, services, and resources they provide help support the work of tax collectors and municipalities throughout the state.

While education is at the heart of this conference, I hope you will also take time to enjoy yourselves. Reconnect with colleagues, meet someone new, exchange stories, and have some fun. These moments of fellowship are what make our Association strong and our annual conference so meaningful.

Thank you all for taking time out of your busy schedules to be here. Your dedication to your communities, your offices, and this profession is appreciated. I look forward to learning, networking, and celebrating with you throughout the conference.

Katie Gargano,
City of Laconia
NHTCA President
